Bank Account Details	The account to which you require funds to be paid. Please include account name, number and sort code.
Please state the exact purpose for which you are requesting this support	<p>Please state CLEARLY, what the sum of money entered above will relate to. You will be asked to supply an invoice of receipt for this amount. Neither the invoice nor receipt should pre-date the "letter of confirmation of support" that you will receive should your application be successful.</p> <p>Please enter as much detail as possible.</p>

<p>What makes this a suitable project for the Hesketh with Becconsall Community Fund?</p>	<p>Explain here why your project is suitable for Community Fund funding. The fund is available to support and improve the community in Hesketh with Becconsall. You need to explain here how your project will do this.</p>
<p>How many Hesketh with Becconsall residents will this request benefit immediately and in the future?</p>	<p>State the number of residents who will benefit immediately and the number that will potentially benefit in the future.</p>
<p>Other sources of funding for which you have applied relating to this project</p>	<p>Let us know who else you are seeking funding for the project from. This could include charities, other statutory bodies, individual contributors or money your organisation has already raised / set aside, what has already been promised and what you still require. Please indicate if any of the funding is match-funding.</p>
<p>What have you, as an organisation done, to raise funds (other than applying for funding)? How much have you raised yourself already towards this project?</p>	<p>State how you have raised money and how much has been raised.</p>
<p>What evidence will you be able to provide to show that the money has been spent on the purpose for which it was provided to you?</p>	<p>We need to know that the funding provided has been spent on what it was intended for. If it is for something very simple, a copy of the relevant receipts or invoices is likely to be sufficient. More detailed information may be required for something more complex. If you are happy for the Parish Council to specify what evidence they require, please enter "As specified by the Parish Council". We will endeavour to make this as simple as possible relevant to the size and complexity of the funding request.</p>
