MINUTES OF MEETING HELD ON 6 NOVEMBER 2001

127/2001 RESOLVED:- That the minutes of the meeting held on 3 October 2001 be confirmed and signed by the Chairman.

MATTERS ARISING FROM MINUTES

1. Fencing at Poppyfields A response was still awaited from the District Council on the ownership of the 'ransom' strip.

2. Bus Services in Hesketh Bank The display holder and timetables had still not been received.

3. Sewerage & Drainage Problems, Poppyfields Councillor Mrs L Standish-Gore reported on recent problems with smells emanating from the drains. The Environmental Health Department of the District Council had attended and found stagnant water lying in the system. Morris Homes had subsequently jetted the system. The Environmental Health Officer had indicated that the system was not up to an adoptable standard at the moment. It appeared the builder had decided to ask the NHBC to inspect the various elements of the construction works, which, in effect, meant the site was self-regulated.

Councillor Mrs Standish-Gore also reported a manhole cover on the play area, which was not secured, and under which was a drop of some 30 ft. A lock had subsequently been fitted to stop children gaining entrance. Work on the play area was now complete and the contractor had said that the remaining works on the Poppyfields site would be finished in 2002.

Councillor Mrs J Birkby arrived during consideration of the above item.

4. Land adj. To Becconsall Hotel Councillor Mrs H Tompkins had been unable to contact the Official at the Brewery. It was agreed to contact the Land Registry regarding the ownership of this land.

5. Admission Policy at Bishop Rawsthorpe School Councillor Mrs Tompkins had attended the meeting, which had been called as a result of children from Rufford not being able to gain access to the school. It had been agreed that a

head count of children in the primary schools in the area would be undertaken in an attempt to estimate the future numbers wanting access to Bishop Rawsthorne School. The results would be forwarded to the Parish Councils concerned.

Councillor I Ashcroft arrived during consideration of the above item.

Following the above meeting, Councillor Mrs Tompkins had spoken to Mr David Borrow MP who had indicated he was keen to attend any public meetings organized in the Parish but he would not be available throughout January 2002.

6. Green Lane A letter had been received from County Councillor R Hodge expressing surprise at the Parish Council's decision on Green Lane. He felt it was the only practical proposal put forward so far to alleviate the problems in the village centers of Tarleton and Hesketh Bank. He did not agree with the Parish Council's views.

7. Beeching in Reverse The Clerk undertook to contact Councillor J Hodson of Tarleton for a copy of this report.

8. LAP&TC – AGM The Chairman reported that the resolutions to the meeting had been dealt with as follows:-

- a. HGV Operator's Licences - Defeated
